SIMPLE TOOLS

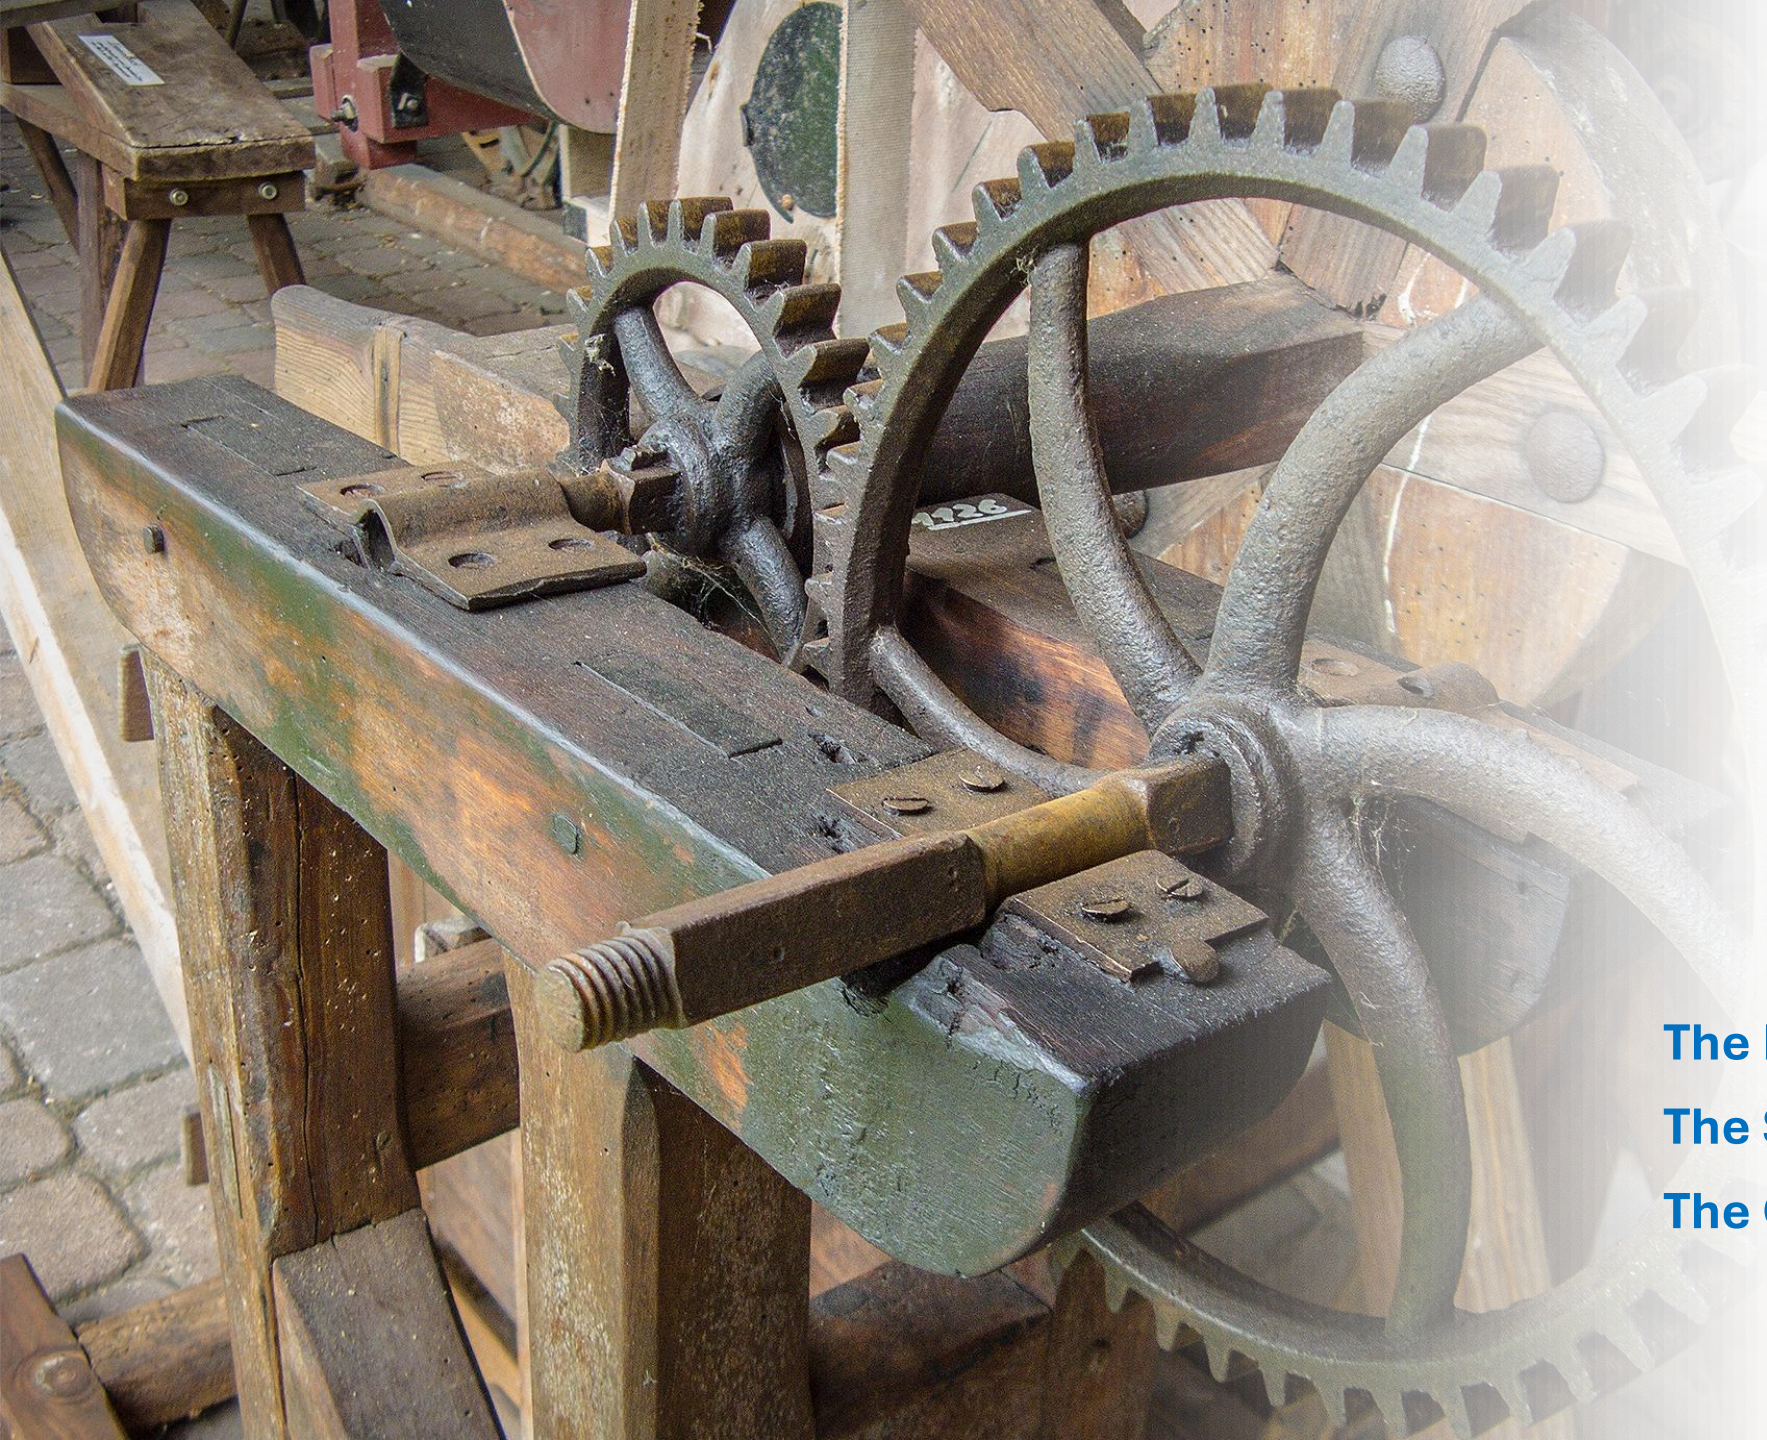

WATER RESOURCES ARE
LEVERAGED:

Aqueducts, Qanats,
Irrigation Canals

Wheels for Abram's journey. Note the axle & pins.

Gears and Wheels Axles and Connecting Rods

Without these inventions, most machinery wouldn't work.

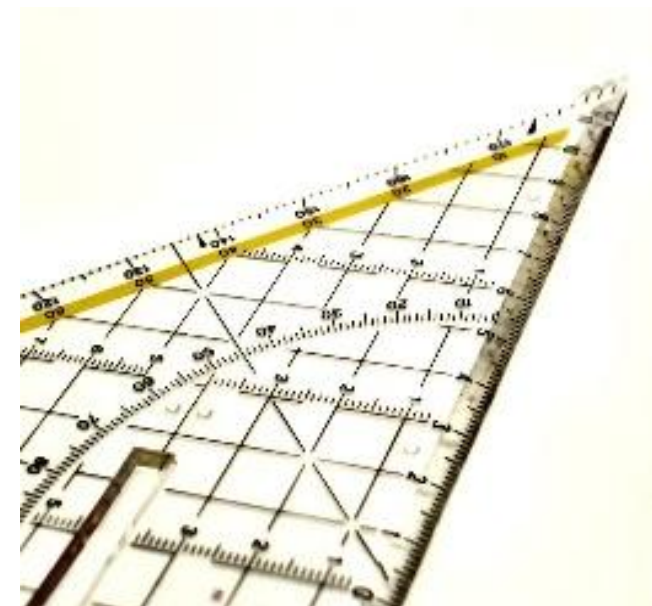

The Earth Revolves on its axis
The Solar System orbits the Sun
The Galaxy circles its center

REMEMBER THESE THINGS

Jeremiah 29:11 *For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.*

GOING THE DISTANCE

Going the distance requires energy, perseverance, running as if to win, staying on course, and trusting the plan God lays out for you. Abraham had to travel to a distant land to be at the crossroads of the world, to be a blessing to all nations. He had no idea “how” he would accomplish God’s plan, he only knew he should trust and “GO.”
